## National Conference

2023 Orlando, Florida

Author: Juan Contreras, President

Hello members! I apologize the September newsletter comes in late but what a month it's been! Our NLPOA Orlando Chapter held the 2023 National Conference this month from September 12 – 16. A lot of great training, networking, and fun took place! I hope all of the NLPOA Clark County members (pictured or not) who attended had a great time and will encourage other members to attend future training conferences. The 2024 training conference will take place here in Las Vegas, so no long-distance travel is required! Stay tuned for dates and other info regarding the 2024 conference, we will release this info next year as parts of the planning phase are still in full swing currently.

# Hispanic Heritage Month!

*As many of you know September 15 saw the start of Hispanic Heritage Month! Most of the NLPOA Clark County Board was in Florida for the annual training conference, however while they were away we found a unique way of celebrating the NLPOA and Hispanic Heritage. After meeting with current NLPOA member LVMPD Officer J. Barron, who is an amazing singer. The idea was birthed on having her represent NLPOA and LVMPD in a unique event, by singing with Latin Grammy award-winning artist Carin Leon before his major concert which was held at T-Mobile Arena! After some work the idea became a reality and the two showcased their amazing voices, Carin Leon gave a shout-out to everyone for their hard work here in Las Vegas. The following day, Barron put her vocals to work again together with another NLPOA member Officer Noreiga at a local community event in Downtown Las Vegas! The community LOVED it! Thank you NLPOA members Barron and Noreiga for helping build relationships within our community!*

# ***A thank you for, Back to School 2023!***

Our back-to-school event for 2023 which saw us sponsor Helen J. Stewart School located at 2375 E. Viking Rd. was a great success, but I did not realize just how great it was until recently. In early September we were contacted by the school, they wanted to demonstrate gratitude for the school supplies donated by giving us a tour of the school and allowing us to meet the staff and students. A few of the board members were able to attend the event and it was then that we learned we actually had donated enough supplies to care for every classroom in the entire school! During the tour we were privileged to meet hardworking teachers and staff who expressed their gratitude to the NLPOA for the supplies. We were also honored to meet some of the students of the school and spend a bit of time with them. The school principal presented NLPOA with a special plaque. Thank you to everyone who donated and made this event such a success. Lets do it again A special thank you to board members Ricky Terrazas and Shanell Moss who volunteered many hours to collect and transport the items to the school!

**Stay Tuned for More  
Community Events!!**

**We welcome members to  
volunteer and become  
involved with  
community events!!**
